NEWS

Arts

Mrs. M. C. Pirie spoke on "An Anthropologist Looks at Education" to the Toronto Special Education Association on January 17.

Professors P. H. Brieger and C. F. Comfort, Messrs. I. S. McNairn and E. F. Cooke attended the annual meeting of the College Art Association, January 26-29, in New York.

Professor J. F. Heard lectured on January 31 to the Specialist Navigation Course at R.C.A.F. Central Navigation School, Winnipeg, on topics relating navigation to astronomy, and also addressed the Winnipeg Centre of the Royal Astronomical Society of Canada on "Meteorites Large and Small."

Professor J. M. S. Careless lectured on January 10 on "North America in the Anxious Thirties"; on January 21 on "Who cares about Toronto?" to the Rotary Club; and on January 22 on "The Development of Issues in Dominion-Provincial Relations in Canada" to the University Women's Club. He gave two lectures in February on "Canadian Writings in the Field of History, Travel and Biography" to the University Library School.

Professor R. M. Saunders addressed the English and History section of the Ontario Educational Association on February 17 on "Prophetic Novels, a Reflection of an Age's Climate of Opinion."

Messrs. H. I. Nelson and R. A. Spencer participated in a series of lectures to the Workers' Educational Association. Mr. Nelson lectured on January 17 on "Serfdom in Russian History" and on February 7 on "The Bolshevik Revolution and its International Repercussions"; Mr. Spencer on January 24 on "Land Hunger in Russia and its Effects on Political Developments." Mr. Spencer addressed the Toronto Sunday Forum on "The Rearmament of Germany" on January 16.

Professor J. H. Parker, member of the national executive council of the American Association of Teachers of Spanish and Portuguese, attended a meeting of the Western New York Chapter at Buffalo on February 5.

Dr. Ulrich Leo was elected a member of the Dante Society of America.

Professor E. L. Fackenheim delivered the keynote address at the convention of the Hillel Foundations of Harvard, Yale and Princeton Universities, held at Yale University, February 18-20. During March, he will deliver several lectures on philosophical and theological topics before the faculty and students of Colgate University.

At the Ontario Psychological Association's annual meeting at McMaster University, February 4-5, Professors William Line (chairman), J. A. Irving, E. S. Carpenter and W. E. Blatz presented a symposium on "The Synthesis of the Social Sciences." Professor J. D. Ketchum presented a dinner address, "Psychology versus Man?" Professors J. C. Sawatsky, A. H. Shephard, K. S. Bernhardt, D. C. Williams, C. R. Myers, H. O. Steer and Dr. R. C. Joyner also participated in the program.

Professor B. E. Shore addressed the Women's Canadian Club of London, Ontario, on "Recent Developments in Yugoslavia" on February 2.

Professor L. I. Strakhovsky addressed the Toronto group of the Workers' Educational Association on "Recurrent Trends in Russian Expansionism" on January 10, and on "The Russian Struggle for Freedom in the 19th Century" on January 31.

Professor C. T. Bissell lectured on January 29 on "Regionalism in Canadian Literature" to the Canadian Association of Geographers, Southern Ontario Division, at the University of Western Ontario.

Professor David Stevenson of Western Reserve University visited the Department of English as exchange lecturer on February 2 and 3. He gave an undergraduate lecture, and a paper to the Graduate Club on "Measure for Measure."

Professor Elder Olson of the University of Chicago, visited the Graduate Department of English on the regular annual exchange, and conducted seminars on the interpretation of contemporary poetry.

Principal F. C. A. Jeanneret delivered a lecture on January 28 in Quebec City to le Cercle des Femmes canadiennes on "La Crise Universitaire au Canada."

Professor D. M. Hayne addressed the annual open meeting of the Association of Administrative Assistants or Private Secretaries on February 22, on "Education and Business."

Professor J. W. Wevers has returned from his travels in the Near East where he spent eight months studying modern Arabic dialects and Islamic movements, visiting Egypt, Syria, Lebanon, Iraq, Jordan and Turkey. On December 6 and 7 Professor Wevers lectured at the University of Lund on "Recent Studies in Septuagint Criticism" and "A Form Critical Study of the Psalter." on December 9 he lectured at the University of Leiden under the sponsorship of the Theologische Faculteit and the Ex Oriente Lux Society on "Een studie over de klagepsalmen." During the Michaelmas term Professor Wevers was guest lecturer at the American School of Oriental Research in Jerusalem.

On January 25 Professor F. V. Winnett addressed the Young Conservative Association of North Toronto on "Research in the Near East."

Professor R. K. Arnold gave a lecture on "Literary Relations between Britain and Germany" at the Walter Scott Society meeting on February 3.

Professor J. A. Irving has been appointed to the editorial staff of *Philosophy and Phenomenological Research*, the official organ of the International Phenomenological Society.

Medicine

Professor Charles H. Best has been unanimously chosen by the Council of the Royal Society as the Croonian Lecturer for 1955. This Lectureship is the senior one of the Society, and was named after the first Registrar, Dr. Croone, who held office in 1660. Professor Best is the first Canadian Fellow of the Royal Society to receive the award. "Dietary Factors in the Protection of the Liver, Heart and Kidneys" is the title of the lecture, which will be given on June 16.

Professor Aldwyn Stokes delivered the Laity Lecture to the New York Academy of Medicine on February 2, on "Psychosomatic Notions." Professor Stokes was invited to deliver the Solomon Grand Memorial Lecture, New Mount Sinai Hospital, February 17, on "The Hospital as a Social Institution."

Professor James C. Watt recently gave an address to the Fellowship Committee of the Rotary Club on "What Holds Us Together," a review of practical interest on the human skeleton.

Applied Science and Engineering

Professor C. F. Morrison and Mr. R. K. Cleverdon attended the annual meeting of the Highway Research Board in Washington.

Professor M. W. Huggins was elected chairman of the Toronto Branch of the Engineering Institute of Canada on January 13.

Professor E. A. Allcut is representing the City of Toronto at the First International Congress on Air Pollution, to be held in New York City, March 1-2.

Professor I. W. Smith who is chairman of the Mechanical Engineering Division of the American Society for Engineering Education, is to be its official representative at a Thermodynamics Conference at Purdue University, February 28-March 1.

Professor W. H. Rapson was presented with the I. H. Weldon Gold Medal at the annual meeting of the Technical Section of the Canadian Pulp and Paper Association in Montreal on January 27. The Weldon Medal is awarded "for the most meritorious contribution to the annual meeting", which was a paper entitled "A Continuous Process for the Manufacture of Chlorine Dioxide" presented last year.

Professor W. H. Rapson was chairman of a symposium on Newer Methods of Pulp Bleaching at the annual meeting of the Technical Association of the Pulp and Paper Industry (U.S.A.) in New York, February 21-24, at which he was re-elected chairman of the Pulp Purification Committee of TAPPI. At the same meeting Dr. Rapson presented a paper on "The Action of Water on Cellulose Between 100°C and 225°C" at the session on fundamental research.

Professor P. M. Corbett attended the fifty-third annual convention of the Canadian Ceramics Society in Hamilton, February 7-9, and acted as chairman of the general session.

Professors V. G. Smith and J. M. Ham and Dr. A. Greenwood attended the winter general meeting of the American Institute of Electrical Engineers held in New York January 31-February 4. Dr. Ham presented a paper entitled "Conditional Feedback Systems—A New Approach to Feedback Control".

Dr. G. N. Patterson, Professor B. Etkin, Dr. I. I. Glass and Dr. J. G. Hall attended the conference on High-speed Aeronautics, a feature of the Centennial year of the Polytechnic Institute of Brooklyn and the annual meeting of the Institute of Aeronautical Sciences in New York, January 20-26.

O.C.E.

Dr. A. C. Lewis addressed the Ottawa Kiwanis Club on March 4 on the occasion of Education Week on "Education for Tomorrow." Dr. Lewis accepted the invitation of the American Council on Dental Education to visit the Dental School of the University of Tennessee at Memphis during the week of February 21.

During the past month Professor C. E. Phillips addressed meetings of the public school principals of Toronto and of alumni of the University of Michigan in Toronto. He took part in panel discussions on the education of exceptional children at meetings of the Home and School Council of North York and of the teachers of Forest Hill Village. He also attended a conference in Washington on Canadian-American relations sponsored by the Canada-United States Committee of the Chambers of Commerce of the two countries and by the Canada-United States Committee on Education, of which he is Canadian co-chairman.

Professor A. F. Skinner addressed the Lakeshore Men and Women Teachers' Association at their annual dinner on January 26. The subject of his address was "Professional Awareness". He also addressed the Forest Hill Elementary and Secondary Teachers on February 14 on "Comparative Theories and Problems in Education".

Professor Clifford C. Pitt is continuing a series of addresses on Educational Psychology to the Hebrew *Midrasha* through March and April.

Library School

Professors Bertha Bassam and Katharine L. Ball attended the Association of American Library Schools meeting and the American Library Association Mid-winter meeting, at Chicago, January 31-February 2.

Forestry

In connection with the University Extension course in Product Knowledge and Selling Principles sponsored by the Ontario Retail Lumber Dealers' Association, Professor A. S. Michell gave the lecture of February 3rd—"Lumber: Species, Sources, Grade Breakdowns, comparison of grades by species, uses of various grades".

Professor A. S. Michell attended the Annual Meeting of the Canadian Lumbermen's Association in Montreal, February 14th-16th.

Music

Dean Boyd Neel spoke before the Anglican Business and Professional Women's Club on February 21. The second concert of the Hart House Orchestra, under Dean Neel's conductorship, was given in the Great Hall on February 27. On March 15 he will conduct the London Chamber Orchestra. Dean Neel is scheduled to address the Lyceum Art Association, Oshawa, on April 4, and the biennial convention of the Ontario Registered Music Teachers' Association, Niagara Falls, on April 14.

Dr. Arnold Walter recently completed a tour of the Western provinces, where he gave talks and met superintendents and supervisors of music in the High Schools.

Mr. Nicholas Goldschmidt has been appointed musical director of the Summer School at the University of British Columbia.

Dr. Ernesto Vinci will teach at the Banff School of Fine Arts this summer.

Dentistry

On February 16, an extramural lecture was given by Dr. R. J. Godfrey before the Kingston and District Dental Society.

Extramural lectures will be given on March 2 by Dr. W. G. McIntosh before the Durham-Ontario Dental Society at Port Hope; on March 3 by Dr. D. S. Moore before the Kent County Dental Association at Chatham; on March 16 by Dr. M. N. Rockman before the Inter-County Dental Society at Kitchener, and on March 16 by Dr. J. Wallace Graham before the London Dental Society when the meeting will be open to Medical and Dental practitioners.

On March 1 and 2, Dr. J. B. Macdonald and Dr. C. H. M. Williams will attend the annual meeting of the Associate Committee on Dental Research, National Research Council, in Ottawa. Drs. G. Nikiforuk, J. J. Rae and E. M. Madlener will present papers before this meeting.

On March 7, Dr. C. H. M. Williams will speak before the Utica Dental Society, New York.

Dr. W. G. McIntosh will be guest lecturer on 9th March for the R. F. Bunting Periodontia Study Club, Ann Arbor, Michigan.

At the Thirty-third General Meeting of the International Association for Dental Research, to be held in Chicago, March 18-20, the following papers will be presented from the Division of Dental Research: Dr. R. M. Grainger, "Exact Analysis (By Binomial Summation) of Fourfold Contingency Tables Arising from Recombination Experiments with *Fusospirochetal* Exudate"; Dr. J. B. Macdonald, "The Pathogenic Components of an Experimental *Fusospirochetal* Infection"; Dr. K. J. Paynter, "The Pulp-Protective Effect of Silicone under Silicate Fillings"; Dr. H. A. Hunter, "A Study of the Mechanism Concerned in the Deposition of Lime Salts in Bridging over a Pulp Exposure"; Dr. E. M. Madlener, "Studies on *Spirillum Sputigenum*"; Dr. G. Nikiforuk, "Some Non-Protein Nitrogen Constituents of Blood and Saliva and Their Relation to Dental Caries".

Dr. F. M. Martin, the elected representative from the Faculty Council, will attend the annual meeting of the American Association of Dental Schools. Dr. J. H. Johnson will attend the annual meeting of the American Association of Dental Schools in Chicago, March 21-23, and will report as chairman of the Committee on current trends in professional relationship. Dr. G. T. Mitton will be in Chicago on March 22 attending the Conference Session on Public Health Dentistry at this meeting.

Dean R. G. Ellis was recently appointed consultant to the Council on Dental Education of the American Dental Association.

Dr. G. C. Hare was elected vice-president of the American Association of Endodontics at its recent meeting in Chicago.

The Faculty will conduct a continuation course for dental graduates in the subject of Endodontics during the five-day period March 7-11. The course will be under the direction of Dr. G. C. Hare, and guest clinician will be Dr. Louis I. Grossman, Professor of Oral Medicine, School of Dentistry, University of Pennsylvania.

Another continuation course in the subject of Orthodontics for dental graduates will be conducted March 28-April 1, inclusive. The course will be under the direction of Dr. D. H. Jenkins.

Architecture

Professor W. E. Carswell has been invited to give a paper on "Colour at Work" before the Inter-Society Colour Council of America at their annual convention in New York in April.

Social Work

Professor Charles E. Hendry chaired a dinner meeting of Deans and Directors of Schools of Social Work on the occasion of the annual meeting of the Council on Social Work Education, Chicago, January 27.

Professor Alan F. Klein addressed the annual meeting of University Settlement on "The Role of the Settlement in the Community," and the annual meeting of Warrendale on "The Institutional Environment Can Be Treatment".

Professor John S. Morgan has returned from leave of absence in Europe. As a Nuffield Travelling Fellow he studied auxiliary social services for the care of the aged in Great Britain. As Simon Visiting Professor at the University of Manchester he continued his studies of administrative theory and practice and explored social research problems at the Universities of Bristol, Leicester, Nottingham, Sheffield, Edinburgh, Glasgow, and Liverpool, at the London School of Economics and the University College of Swansea, and at the Schools of Social Work in Oslo and Vienna. Professor Morgan gave public lectures in Manchester, Sheffield and Swansea, and, as a United Nations Consultant, gave three lectures in the University of Oslo under the auspices of the Social-department of the Government of Norway. While in Europe he fulfilled his duties as a member of the Executive Committee of the League of Red Cross Societies and World University Service, representing the latter at the 1954 Congress of the International Association of University Professors and Lecturers in Vienna.

Professor Albert Rose acted as consultant to the Canadian Broadcasting Corporation for the series of six programs on housing which commenced on February 17.

Nursing

At the request of the Ontario Department of Health, the School of Nursing and the Extension Department held a two week refresher course, February 7-18, which was attended by nursing supervisors of Obstetrical Departments from 39 hospitals in the Province.

Hygiene

Dr. C. E. van Rooyen has been appointed associate editor of the *Canadian Journal of Microbiology*, published by the National Research Council, Ottawa. He has also been appointed to the editorial board of the *Journal of Bacteriology*, published by the Society of American Bacteriologists.

UNIVERSITY LIBRARY

Government documents have now been moved into the basement of the Science and Medicine division, and current documents are available in the reading-room at the south end of the building.

Return of material to the Library from storage at Devonshire Place has been begun, and will be carried out gradually over a period of several months.

Periodical titles added to the Library since January 15, 1955:

Akademie der Wissenschaften, Berlin. Klasse für technische Wissenschaften. Sitzungsberichte
